

*I'd like to say how beautiful my house is turning out! Thanks to Habitat it looks and feels like a new house outside. The deck is going to be incredible. Everyone is working so hard, and in this heat! I can't express how appreciative I am.*

### **Our Mission**

To empower families, build community, and create hope through an aggressive home-building ministry.

### **Our Vision**

To make it possible for all residents of East King County to live in simple, decent, affordable housing through homeownership. We are a grass roots, Christian community organization that constructs homes in a self-help, home-ownership program.
