#### Renaissance Ridge Monthly Meeting Notes

-The previous HOA President has stepped out and there is a new President.

Discussion on procedures and how to work with Macpherson's Property Management.

Fence along SE 8<sup>th</sup>, East of 242<sup>nd</sup>. Upcoming project will be to remove the fence and have the city replace with a standard fence, which has been approved already. VP is heading up removal of the fence and will coordinate a neighborhood work day. We will provide a barbecue lunch for neighbors to get to know one another afterwards.

There are a few trees that need to be removed in the neighborhood. President will coordinate permitting with the city and look into getting another quote to save money.

The southern playground along 242<sup>nd</sup> is a project we would like to tackle this year. The previous President completed studies on the playground and recommended having it replaced. One quote has been submitted. Board will look into another company for a second quote. Hopes are to have the playground replaced this year. It's in the budget and approved by the board.
